

# NIGHTLOCK ALERT

✓ Barricade ✓ Alert ✓ Communicate

Protect your  
School,  
Office and  
Home

**NIGHTLOCK ALERT** is a child deployable solution to keep your school safe, secured and informed

- **Barricade** – Nightlock - A child deployable door barricade system that automatically triggers an alert when the locking arm is removed from the case
- **Alert-**
  - Alert automatically transmits an agency-wide notification with Barricaded Room location
  - All smartphones with Nightlock Alert app and security office PC('s) receive notification
  - Opens cell phone (Android) MIC to “listen in” at location
  - Situational awareness of all barricaded rooms in seconds
  - No other input required.
- **Communicate** - Push to Talk (PTT) – Directly connects school staff and 1<sup>st</sup> Responders (Up to 300 numbers)

# NIGHTLOCK ALERT

✓ Barricade ✓ Alert ✓ Communicate

## Here's how it works:

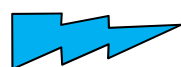

<https://www.youtube.com/watch?v=F8GPmBMf9U>

Barricade

Barricade deployment activates cell phone:

- Buys Critical time
- Alerts Agency wide
- Listen In

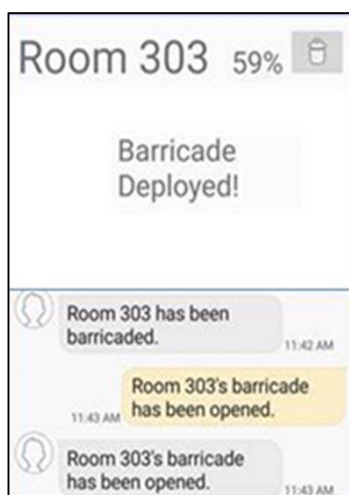

Bluetooth

PTT Connects Groups like a radio

WiFi or Cellular

No Dispatcher required No Error No Delay
